

2021-2022 Wellness Grant Program Health Promotion Impact Grant Partnership Template

A minimum of two partner organizations are required to be eligible for the Health Promotion Impact Grant. Please share this template with your partner organizations to complete. They must send the completed forms back to you so that you can upload the attachments to your online application submission.

The purpose of this template is for partner organizations to demonstrate how they will contribute to this project. The Health Promotion Impact Grant requires partnerships to ensure there is collaboration and sustainability of the health promotion initiative. For more information on the Health Promotion Impact Grant criteria, please refer to the Health Promotion Impact Grant Overview.

Partner Organizations: please complete this template and send back to the Applicant. Please note that using a form letter to indicate a partnership is not sufficient.
