**MORELL REGIONAL HIGH SCHOOL**

Grades: 9-12  
 Population: 185

**INTRODUCTION**

PEI's original capital, this small community continues to thrive as a business centre. For outdoor and adventure lovers, the Morell River is considered a "must" for sport fishing, canoeing and kayaking. For cyclists and hikers, the stretch of the Confederation Trail winding along the shoreline between Morell and St. Peters is considered by many the most picturesque on PEI.

**SCHOOL MISSION/  
 PHILOSOPHY**

We believe school should be a preparation for life and that all students can learn. Each student is an individual with unique personality and potential. To enable students to reach this potential, the staff, students, parents and community must work together to create an environment which is safe both physically and psychologically. All members of the school community shall be treated with respect and dignity.
