About the MSFAA

The Master Student Financial Assistance Agreement is a legal agreement between the student (as a borrower) and the Canada Student loans program (as a lender). It outlines your responsibilities and the terms and conditions of accepting and repaying your Canada Student Loans. The MSFAA must be completed the first time a student a Canada Student Loan and remains valid as long as they continue to borrow new Canada Student Loan funding. It expires once the student has not applied for two consecutive years.
