## NOTICE TO AGENTS

### Gasoline Tax/Carbon Levy Combined Return

Prince Edward Island is implementing the *Climate Leadership Act* effective April 1, 2019.

To facilitate the collection, reporting and remittance of the carbon levy in conjunction with the collection, reporting and remittance of the gasoline tax, a "Gasoline Tax / Carbon Levy Combined Return" has been developed.

This return is based on the format of the "Generic Fuel Tax Return" that has been used for the reporting of gasoline tax.

A wholesaler under the *Petroleum Products Act* who is distributing a fuel listed in Schedule 1 of the *Climate Leadership Act* must register as an agent of the province of Prince Edward Island for the collection of the carbon levy under the *Climate Leadership Act*, regardless of the rate of the carbon levy on that fuel (even if the rate is \$0.00).

All wholesalers who are registered as agents for the collection of the carbon levy will use this form, even if they do not have a Wholesaler Agency Agreement with the province to collect the gasoline tax.

The form and instructions can be found on our website at:
