WELCOME TO KINDERGARTEN!

PSB Speech Language Pathology Team

Dear Parent(s)/Guardian(s),

Speech Language Pathologists support the development of students' communication skills to help them reach their full potential with their speech, language, and literacy skills.

See the link/QR code to our Welcome to Kindergarten video. This video will provide you with tips and activities for supporting your child's speech and language development. Speech and language skills are critical foundational skills for successful reading and writing.

In this package you will find our handouts with information regarding:
