#### EXPLANATORY NOTES

**SECTION 1** provides definitions for terms used in these regulations.

**SECTION 2** requires a person to obtain a development permit from the Minister prior to constructing a large capacity renewable energy generation facility.

This section also requires a person who is issued a development permit to construct a facility to comply with any conditions imposed on the development permit issued by the Minister and to construct the facility in accordance with the plans, specifications, documents or any other information supplied to the Minister in respect of the application for the development permit.

**SECTION 3** indicates that an application for a development permit shall be made to the Minister, on an approved form, and be accompanied by a copy of a certified survey of the land on which the large capacity renewable energy generation facility is to be constructed and any additional information considered necessary by the Minister.

This section also authorizes the Minister to issue a development permit where the Minister is satisfied it is in the public interest to do so. In addition, this section provides for the imposition of conditions on a permit and for the expiry and revocation of a permit.

**SECTION 4** provides for the commencement of these regulations.
