**SECTION 3** establishes that only a medical practitioner or an oral and maxillofacial surgeon who is a member of the medical staff of Health PEI and who has privileges at a hospital may order the admission of a person to a hospital. The section also restricts such a practitioner or surgeon from making an admission order unless it is clinically necessary.

**SECTION 4** requires an administrator to ensure that each person admitted to a hospital is given a unique register number and that this number is used on any document that forms part of the medical record of the person until he or she is discharged.
