**EC2014-277**

**PESTICIDES CONTROL ACT**  
**REGULATIONS**  
**AMENDMENT**

(Approved by His Honour the Lieutenant Governor in Council dated April 22, 2014.)

Pursuant to section 22 of the *Pesticides Control Act* R.S.P.E.I. 1988, Cap. P-4, Council made the following regulations:

**1. Subsection 24(2) of the *Pesticides Control Act* Regulations (EC761/05) is amended**

**(a) in clause (d), by the deletion of the words “of the application” and the substitution of the words “of the commencement of the 48-hour application period”; and**

**(b) by the addition of the following after clause (d):**

(d.1) a statement that the application may, in accordance with subsection 24.1(1), be commenced and completed at any time within 48 hours after the proposed date and time stated in the notice;

(d.2) the date and time the notice was provided or posted;

**2. The regulations are amended by the addition of the following after section 24:**

**24.1** (1) An applicator shall commence and complete the application of a non-domestic pesticide for the control of a landscape, structural, greenhouse or soil-based pest within a maximum of 48 hours after the proposed date and time of commencement stated in the notice pursuant to clause 24(1)(d).

Application within  
48 hours

(2) If the application of a non-domestic pesticide for the control of a landscape, structural, greenhouse or soil-based pest cannot be commenced and completed within the 48-hour period required under subsection (1), the applicator shall provide new notice in accordance with section 24 to all persons who were previously notified under that section with respect to the proposed application.

New notice required

(3) No person shall apply a non-domestic pesticide for the control of a landscape, structural, greenhouse or soil-based pest after the expiry of the 48-hour period required under subsection (1).

Prohibition

**3. These regulations come into force on May 3, 2014.****EXPLANATORY NOTES**

**SECTION 1** amends subsection 24(2) of the regulations to require additional information to be included in a notice required to be provided under subsection 24(1) respecting the application of certain non-domestic pesticides and to make the subsection consistent with the operation of the new section 24.1.

**SECTION 2** adds a new section 24.1 to the regulations. The new section requires that an applicator commence and complete the application of the non-domestic pesticide within 48 hours after the proposed date and time of commencement specified in the notice provided under clause 24(1)(d). The applicator is required to provide new notice under subsection 24(1) if the application of the non-domestic pesticide cannot be commenced and completed within the 48-hour period. Application of the pesticide outside the 48-hour period is prohibited.

**SECTION 3** provides for the commencement of these regulations.
