EXPLANATORY NOTES

SECTION 1 revokes the Schedule to the *Real Property Tax Act* Tax Credit Factor Regulations (EC802/17) and replaces it with a new Schedule showing the tax credit factors for 2020 to 2023 and subsequent years for the listed municipalities. There has been an increase in the tax credit factor for West River due to an increase in the proportion of the assessment base subject to the planning credit, based on the level of service provided, and the credit has been calculated to the fourth decimal place to avoid revenue loss due to rounding. There has been an increase in the tax credit factor for North Shore to reflect the addition of a planning credit because North Shore has assumed responsibility for planning within the boundaries previously referred to as Pleasant Grove and Grand Tracadie, as of April 17, 2022, the date of approval of the official plan by the Minister of Agriculture and Land.

SECTION 2 provides for the commencement of these regulations.
