EC2021-270

**PROVINCIAL COURT ACT
JUSTICE OF THE PEACE
APPOINTMENT**

Under authority of section 14 of the *Provincial Court Act* R.S.P.E.I. 1988, Cap. P-25 Council appointed Sarah Marie Drummond of Summerside, in Prince County, Prince Edward Island, as Justice of the Peace in and for the Province of Prince Edward Island for a term of five (5) years, effective April 6, 2021.

Further, Council ordered that should Sarah Marie Drummond cease to be employed by the Province of Prince Edward Island in her present capacity in the Department of Justice and Public Safety, her appointment as Justice of the Peace shall terminate coincident with the date the employment terminates.

Signed,

Paul T. Ledwell
Clerk of the Executive Council and Secretary to Cabinet

**MONTHLY NOTICE PURSUANT TO THE JUDICATURE ACT,
RSPEI 1988, CAP J-2.1**

TAKE NOTICE THAT pursuant to Section 30 of the *Judicature Act*, the Finance Committee has fixed the annual rate of interest to be paid on money paid into the Supreme Court of Prince Edward Island for the month of April, 2021 as follows:

1. The annual interest rate for April, 2021 is 0%.
2. All money paid into court in trust in which a beneficiary is named or designated earns interest at the annual interest rate.
3. Subject to section 6, all other monies paid into court shall earn interest at the annual interest rate provided that:
 - (a) the amount paid into court is \$20,000.00 or more; and
 - (b) the amount on deposit is for a period of not less than six months.
4. The amount of interest payable shall be calculated by multiplying one-half of the annual interest rate by the minimum balance on the ledger card or computer facsimile in the preceding six months.
5. Interest payable shall be calculated every six months, for the period from April 1 to September 30 and from October 1 to March 31.
6. Monies paid into court for bail, fines, jury fees and restitution or any other like purpose shall not earn interest.

14. (1) For the purpose of this Part and clause 25(3)(c) of the Act, where required, an applicant or medical laboratory technologist, as the case may be, shall hold or be covered by professional liability insurance or protection with coverage of not less than \$2,000,000 per claim or occurrence and an aggregate limit of not less than \$2,000,000 excluding legal or court costs.

Proof of insurance

(2) Proof of professional liability insurance that meets the requirements of subsection (1) shall be provided to the registrar in the form of a certificate of insurance issued by the insurer.

Continuing education and competency

15. (1) For the purpose of this Part, the requirements for continuing education and competency are the participation in and successful completion of the continuing competency program for medical laboratory technologists established by the Council pursuant to section 60.1 of the Act.

Record

(2) A medical laboratory technologist registered in the general registration part of the register shall

- (a) keep a record in a form satisfactory to the registrar of the activities that the medical laboratory technologist undertakes for the purpose of this section; and
- (b) provide copies of the record referred to in clause (a) on the request of and in accordance with the directions of the registrar.

Designations and Reserved Activities

Designations

16. For the purpose of subsection 89(1) of the Act, the designations of a medical laboratory technologist include the following titles, abbreviations and initials:

- (a) medical laboratory technologist;
- (b) registered medical laboratory technologist;
- (c) MLT or RMLT.

Reserved activities

17. (1) Subject to subsections (2) and (3) and any terms or conditions on the medical laboratory technologist's registration, a medical laboratory technologist is authorized to perform the following reserved activities:

- (a) performing a procedure on tissue below the dermis for the purpose of taking a blood sample from a vein or by skin pricking;
- (b) applying electrical energy for the purpose of administering a sweat chloride test.

Pre-condition

(2) A medical laboratory technologist shall not perform a reserved activity set out in subsection (1) except pursuant to

- (a) an order made by

- (i) a person authorized to practise as a medical practitioner or a nurse practitioner under the laws of this province or another Canadian jurisdiction, or
- (ii) a person authorized to practise as a dentist under the laws of this province; or
- (b) a hospital protocol.

(3) A medical laboratory technologist registered in the provisional registration part of the register shall not perform a reserved activity set out in subsection (1) except under the supervision of a medical laboratory technologist registered in the general registration part or the special registration part of the register.

registration

PART 3 – MEDICAL RADIATION TECHNOLOGISTS

Registration

18. (1) The register for medical radiation technology is divided into the following parts by type of registration and discipline, respectively:

Register parts

- (a) general registration
 - (i) magnetic resonance imaging,
 - (ii) nuclear medicine,
 - (iii) radiation therapy,
 - (iv) radiography;
- (b) provisional registration
 - (i) magnetic resonance imaging,
 - (ii) nuclear medicine,
 - (iii) radiation therapy,
 - (iv) radiography;
- (c) special registration
 - (i) magnetic resonance imaging,
 - (ii) nuclear medicine,
 - (iii) radiation therapy,
 - (iv) radiography.

(2) A medical radiation technologist shall be registered in the technologist's primary discipline and may be registered in one or more secondary disciplines, in accordance with the technologist's qualifications.

Primary and
secondary
disciplines

19. An applicant for general registration under this Part shall

General registration

- (a) for the purpose of clause 12(2)(c) of the Act, meet the education requirement set out in section 25;
- (b) for the purpose of clause 12(2)(d) of the Act, have successfully completed the examinations set out in subsection 26(1);
- (c) for the purpose of clause 12(2)(f) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 27; and

 - (b) for the purpose of clause 12(2)(f) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 27; and
 - (c) for the purpose of clause 12(2)(j) of the Act, hold or be covered by professional liability insurance or protection as required in section 28.

Subject to
supervision

(2) A medical radiation technologist registered in the provisional registration part of the register shall be supervised in practising a discipline of medical radiation technology by a medical radiation technologist registered in the general registration part or special registration part of the register in that discipline, approved by the Council.

No reinstatement

(3) Provisional registration is not subject to reinstatement.

Special registration

21. (1) Where the Council directs the registrar to register an applicant under this Part pursuant to subsection 13(3) of the Act, the registrar shall register the applicant in the special registration part of the register in the appropriate primary discipline and secondary discipline, if applicable.

No renewal or
reinstatement

(2) Special registration is not subject to renewal or reinstatement.

Renewal of Registration

Renewal of general
registration

- 22.** An applicant for the renewal of general registration under this Part shall
- (a) for the purpose of subclause 22(2)(a)(i) of the Act, fulfil the requirements for continuing education and competency set out in subsection 29(1);
 - (b) for the purpose of subclause 22(2)(a)(ii) of the Act, demonstrate currency of professional knowledge and skills in accordance with section 27; and
 - (c) for the purpose of subclause 22(2)(a)(v) of the Act, hold or be covered by professional liability insurance or protection as required in section 28.

Prescribed Requirements

25. For the purpose of this Part, the requirement with respect to education is the successful completion of Education

(a) a post-secondary diploma program or baccalaureate degree program, of at least two years' duration, in medical radiation technology with a focus on at least one discipline at a Canadian post-secondary educational institution, approved by the Council; or

(b) education activities considered substantially similar to the requirements in clause (a) by the Canadian Association of Medical Radiation Technologists.

26. (1) For the purpose of this Part, the required examinations are Examinations

(a) the certification examination administered by the Canadian Association of Medical Radiation Technologists or other competency exam approved by the Council; and

(b) a provincial examination established or adopted by the Council to assess knowledge and understanding of the jurisprudence, ethical standards and standards of practice governing medical radiation technology in the province.

(2) The successful completion of an examination referred to in subsection (1) means Successful completion of examination

(a) in respect of the certification examination, passing the examination in not more than four attempts within the time frame required by the Canadian Association of Medical Radiation Technologists;

(b) in respect of a competency examination approved by the Council, meeting the minimum standard established by the examination administrator; and

(c) in respect of the provincial examination, meeting the minimum standard established by the Council.

Currency
requirements,
primary discipline

27. (1) For the purpose of this Part, to demonstrate currency of professional knowledge and skills in the applicant's primary discipline, an applicant shall meet one of the following requirements within the three years immediately preceding the date of the application:

Continuing
education and
competency

29. (1) For the purpose of this Part, the requirements for continuing education and competency are the participation in and successful completion of the continuing competency program in medical radiation technology established by the Council pursuant to section 60.1 of the Act.

Record

(2) A medical radiation technologist registered in the general registration part shall

- (a) keep a record in a form satisfactory to the registrar of the activities that the medical radiation technologist undertakes for the purpose of this section; and
- (b) provide copies of the record referred to in clause (a) on the request of and in accordance with the directions of the registrar.

Designations and Reserved Activities

30. For the purpose of subsection 89(1) of the Act, the designations of a medical radiation technologist include the following titles, abbreviations and initials: Designations

- (a) where the technologist is registered in the discipline of magnetic resonance imaging, MRT(MR);
- (b) where the technologist is registered in the discipline of nuclear medicine, MRT(N);
- (c) where the technologist is registered in the discipline of radiation therapy, MRT(T);
- (d) where the technologist is registered in the discipline of radiography, MRT(R).

31. (1) Subject to subsections (6) and (7) and any terms or conditions on the medical radiation technologist's registration, a medical radiation technologist is authorized to perform the reserved activities set out in this section in accordance with the discipline or disciplines in which the technologist is registered. Reserved activities

(2) A medical radiation technologist registered in the discipline of magnetic resonance imaging is authorized to perform the following reserved activities in that discipline: Reserved activities,
MRT(MR)

- (a) performing a procedure on tissue below the dermis for the purpose of starting an intravenous line;
- (b) administering a drug or diagnostic imaging contrast agent by any means for the purpose of conducting a diagnostic scan and imaging of body tissue;
- (c) putting an instrument, hand or finger
 - (i) beyond the opening of the urethra, or
 - (ii) beyond the anal verge;
- (d) applying electromagnetic or sound energy in the form of non-ionizing radiation.

(3) A medical radiation technologist registered in the discipline of nuclear medicine is authorized to perform the following reserved activities in that discipline: Reserved activities,
MRT(N)

- (a) performing a procedure on tissue below the dermis for the purpose of starting an intravenous line or taking a blood sample from a vein;
- (b) administering a radiopharmaceutical, radiolabelled substance, radioactive gas or radioaerosol by any means for a diagnostic or therapeutic purpose;

- (c) putting an instrument beyond the opening of the urethra;
- (d) applying electrical energy in the form of ionizing radiation.

Reserved activities,
MRT(T)

(4) A medical radiation technologist registered in the discipline of radiation therapy is authorized to perform the following reserved activities in that discipline:

- (a) performing a procedure on tissue below the dermis for the purpose of starting an intravenous line;
- (b) administering a drug or diagnostic imaging contrast agent by any means;
- (c) putting an instrument, hand or finger

 - (ii) beyond the anal verge, or
 - (iii) into an artificial opening into the body;
- (d) applying electrical and sound energy in the form of ionizing or non-ionizing radiation.

Pre-condition

(6) A medical radiation technologist shall not perform a reserved activity except pursuant to

- (a) an order made by
 - (i) a person authorized to practise as a medical practitioner or a nurse practitioner under the laws of this province or another Canadian jurisdiction, or
 - (ii) a person authorized to practise as a dentist under the laws of this province; or
- (b) a hospital protocol.

Supervision,
provisional
registration

(7) A medical radiation technologist registered in the provisional registration part of the register shall not perform a reserved activity except under the supervision of a medical radiation technologist registered in the general registration part or the special registration part of the register in the same discipline in which the reserved activity is being performed.

PART 4 – RESPIRATORY THERAPISTS

Registration

- 32.** The register for respiratory therapy is divided into the following parts: Register parts
- (a) general registration;
 - (b) provisional registration;
 - (c) special registration.
- 33.** An applicant for general registration under this Part shall General registration
- (a) for the purpose of clause 12(2)(c) of the Act, meet the education requirement set out in section 39;

Prescribed Requirements

Education

39. For the purpose of this Part, the requirement with respect to education is

(a) the successful completion of a post-secondary diploma or baccalaureate degree program in respiratory therapy provided at a Canadian post-secondary educational institution, approved by the Council; or

(b) qualifications that the Council considers to be substantially equivalent to the requirements in clause (a).

Examinations

40. (1) For the purpose of this Part, the required examinations are

- (a) the national respiratory therapy examination established by the Canadian Board for Respiratory Care or other competency exam approved by the Council; and
- (b) a provincial examination established or adopted by the Council to assess knowledge and understanding of the jurisprudence, ethical standards and standards of practice governing respiratory therapy in the province.

(2) The successful completion of an examination referred to in subsection (1) means Successful completion of examination

- (a) in respect of the national respiratory therapy examination or other competency examination, obtaining the established pass mark; and
- (b) in respect of the provincial examination, meeting the minimum standard established by the Council.

41. For the purpose of this Part, to demonstrate currency of professional knowledge and skills, an applicant shall meet one of the following requirements within the four years immediately preceding the date of the application: Currency requirements

- (a) successful completion of the educational requirement set out in section 39;
- (b) active practice of respiratory therapy without any restrictions for at least 1,500 hours;
- (c) successful completion of a refresher program in respiratory therapy approved by the registrar.

42. (1) For the purpose of this Part and clause 25(3)(c) of the Act, where required, an applicant or a respiratory therapist, as the case may be, shall hold or be covered by professional liability insurance under a policy that provides coverage of not less than \$2,000,000 per claim or occurrence and an aggregate limit of not less than \$2,000,000 excluding legal or court costs. EXPLANATORY NOTES

SECTION 1 defines terms used in these regulations.

SECTION 2 designates medical laboratory technology, medical radiation technology and respiratory therapy as regulated health professions. It also provides exceptions to prohibitions on practising medical laboratory technology and medical radiation technology except as members of the College.

SECTION 3 establishes the College of Allied Health Professionals of Prince Edward Island as the college for medical laboratory technology, medical radiation technology and respiratory therapy.

SECTION 4 divides the register for medical laboratory technology into parts by type of registration.

SECTION 5 sets out applicable prescribed requirements for registration in the general part of the register for medical laboratory technology.

SECTION 6 sets out applicable prescribed requirements for registration in the provisional part of the register for medical laboratory technology. The section provides that a medical laboratory technologist registered in the provisional registration part of the register shall be supervised by a medical laboratory technologist registered in the general registration part or special registration part of the register. Finally, it states that provisional registration is not subject to reinstatement.

SECTION 7 provides for registration in the special registration part of the register for medical laboratory technology. It states that registration in this part is not subject to renewal or reinstatement.

SECTION 8 sets out the applicable prescribed requirements for renewal of registration in the general registration part of the register for medical laboratory technology.

SECTION 9 sets out the applicable prescribed requirements for renewal of registration in the provisional registration part of the register for medical laboratory technology.

SECTION 10 provides that the maximum prescribed period of time a former member's general registration may lapse before applying for reinstatement of general registration is four years. It sets out the applicable prescribed requirements for reinstatement of registration in the general registration part of the register for medical laboratory technology.

SECTION 11 prescribes the education requirement for the purpose of Part 2.

SECTION 12 sets out the required examinations and defines what constitutes successful completion of the respective examinations under Part 2.

SECTION 13 sets out three options to demonstrate currency of professional knowledge and skills for the purpose of Part 2.

SECTION 14 prescribes insurance requirements for applicants and members registered under Part 2.

SECTION 15 prescribes continuing education requirements for the purpose of Part 2.

SECTION 16 sets out some protected designations of members registered under Part 2.

SECTION 17 sets out the reserved activities a medical laboratory technologist is authorized to perform, subject to certain conditions.

SECTION 18 divides the register for medical radiation technology into parts by type of registration and discipline. It requires that a medical radiation technologist be registered in the technologist's primary discipline and provides for registration in one or more secondary disciplines in accordance with the technologist's qualifications.

SECTION 19 sets out applicable prescribed requirements for registration in the general part of the register for medical radiation technology.

SECTION 20 sets out applicable prescribed requirements for registration in the provisional part of the register for medical radiation technology. The section provides that a medical radiation technologist registered in the provisional registration part of the register shall be supervised while practising a particular discipline by a medical laboratory technologist registered in the general registration part or special registration part of the register in that discipline. Finally, it states that provisional registration is not subject to reinstatement.

SECTION 21 provides for registration in the special registration part of the register for medical radiation technology. It states that registration in this part is not subject to renewal or reinstatement.

SECTION 22 sets out the applicable prescribed requirements for renewal of registration in the general registration part of the register for medical radiation technology.

SECTION 23 sets out the applicable prescribed requirements for renewal of registration in the provisional registration part of the register for medical radiation technology.

SECTION 24 provides that the maximum prescribed period of time a former member's general registration may lapse before applying for reinstatement of general registration is three years. It sets out the applicable prescribed requirements for reinstatement of registration in the general registration part of the register for medical radiation technology.

SECTION 25 prescribes the education requirement for the purpose of Part 3.

SECTION 26 sets out the required examinations and defines what constitutes successful completion of the respective examinations under Part 3.

SECTION 27 sets out options to demonstrate currency of professional knowledge and skills in a primary discipline or a secondary discipline for the purpose of Part 3.

SECTION 28 prescribes insurance requirements for applicants and members registered under Part 3.

SECTION 29 prescribes continuing education requirements for the purpose of Part 3.

SECTION 30 sets out some protected designations of members registered under Part 3.

SECTION 31 sets out the reserved activities a medical laboratory technologist registered in a particular discipline is authorized to perform, subject to certain conditions.

SECTION 32 divides the register for respiratory therapy into parts by type of registration.

SECTION 33 sets out applicable prescribed requirements for registration in the general part of the register for respiratory therapy.

SECTION 34 sets out applicable prescribed requirements for registration in the provisional part of the register for respiratory therapy. The section provides that a respiratory therapist registered in the provisional registration part of the register shall be supervised by a respiratory therapist registered in the general registration part or special registration part of the register. Finally, it states that provisional registration is not subject to reinstatement.

SECTION 35 provides for registration in the special registration part of the register for respiratory therapy. It states that registration in this part is not subject to renewal or reinstatement.

SECTION 36 sets out the applicable prescribed requirements for renewal of registration in the general registration part of the register for respiratory therapy.

SECTION 37 sets out the applicable prescribed requirements for renewal of registration in the provisional registration part of the register for respiratory therapy.

SECTION 38 provides that the maximum prescribed period of time a former member's general registration under Part 4 may lapse before applying for reinstatement of general registration is three years. It sets out the applicable prescribed requirements for reinstatement of

registration in the general registration part of the register for respiratory therapy.

SECTION 39 prescribes the education requirement for the purpose of Part 4.

SECTION 40 sets out the required examinations and defines what constitutes successful completion of the respective examinations under Part 4.

SECTION 41 sets out three options to demonstrate currency of professional knowledge and skills for the purpose of Part 4.

SECTION 42 prescribes insurance requirements for applicants and members registered under Part 4.

SECTION 43 prescribes continuing education requirements for the purpose of Part 4.

SECTION 44 sets out some protected designations of members registered under Part 4.

SECTION 45 sets out the reserved activities a respiratory therapist is authorized to perform, subject to certain conditions.

SECTION 46 requires the name of a health profession corporation established for the purposes of these regulations to be in good taste, dignified and professional.

SECTIONS 47 – 50 set out transitional provisions for persons practising medical laboratory technology, medical radiation technology or respiratory therapy before these regulations come into force.

SECTION 51 provides for the commencement of these regulations.

**REGULATED HEALTH PROFESSIONS ACT
RESERVED ACTIVITIES REGULATIONS
AMENDMENT**

(Approved by Her Honour the Lieutenant Governor in Council dated April 6, 2021.)

Pursuant to subsection 96(1) of the *Regulated Health Professions Act* R.S.P.E.I. 1988, Cap. R-10.1, Council made the following regulations:

1. Clause 2(a) of the *Regulated Health Professions Act* Reserved Activities Regulations (EC536/15) is revoked and the following substituted:

- (a) administering a substance by
 - (i) enteral or parenteral instillation or transfusion, or
 - (ii) respiratory instillation;

2. The regulations are amended by the addition of the following after section 4:

Exemption, tissue
below dermis
