IN THE MATTER OF the *Public Health Act*, RSPEI 1988, Cap. P-30.1 (the “Act”)

COVID-19 PREVENTION AND SELF-ISOLATION ORDER

TO: All persons residing in or present in Prince Edward Island; and

All businesses, services and organizations operating or carrying on business in Prince Edward Island

AND WHEREAS in consultation with the Lieutenant Governor in Council, I believe it is reasonably necessary to impose requirements in Prince Edward Island (“the Province”) in order to protect the health of the population;

AND WHEREAS pursuant to subsection 39(1) of the Act, I, as the Chief Public Health Officer, may require a person to take or refrain from taking any action that is specified in this Order in respect of a communicable disease;

AND WHEREAS I, as the Chief Public Health Officer, pursuant to subsection 39(2) of the Act, believe on reasonable and probable grounds that:

- (a) a communicable disease, COVID-19, including any new variants of the virus causing COVID-19, exists or may exist in the Province;
- (b) the communicable disease presents a risk to the health of persons in the Province; and
- (c) the requirements specified in this Order are necessary to prevent, decrease or eliminate the risk to health presented by the communicable disease;

AND WHEREAS the reasons for this Order are the global COVID-19 pandemic, the health risks posed by the pandemic, including health risks posed by new variants of the virus causing COVID-19, and the necessity to prevent, decrease or eliminate those health risks;

AND WHEREAS isolating individuals who test positive for COVID-19, and any variants of concern, will prevent transmission of the virus and the associated illness and death and protect Prince Edward Island’s health care system;

AND WHEREAS I recognize the effect which the requirements I am putting in place to protect the health of the public have on persons in PEI and, with this in mind, have engaged and will continue to engage in a process of reconsideration of these requirements, based upon the information and evidence available to me, including infection rates, sources of transmission, the presence of clusters and outbreaks, the number of people in hospital and in intensive care, deaths, the emergence of and risks posed by virus variants of concern, vaccine availability, immunization rates, the vulnerability of particular populations, and reports from the rest of Canada and other jurisdictions, with a view to balancing the interests of the people affected by this Order, including constitutionally protected interests, against the risk of harm to the public health;

AND WHEREAS pursuant to subsection 56(1) of the Act, I, as the Chief Public Health Officer, may require any person to provide information that the Chief Public Health Officer reasonably considers necessary to:

- (a) assess the threat that a disease presents to public health and plan for and address the threat; or
- (b) evaluate and monitor the health and safety of the general public;

AND WHEREAS pursuant to section 60 of the Act, a public health official may request assistance from a peace officer in conducting an inspection, investigation, inquiry, search or in enforcing an order made under the Act;

AND WHEREAS pursuant to subsection 61(4) of the Act, no person shall knowingly provide false or misleading information, either orally or in writing, to a public health official;

IN THE MATTER OF the *Public Health Act*, RSPEI 1988, c P-30.1 (“Act”).

LONG-TERM CARE FACILITIES AND NURSING HOMES COVID-19 ORDER

TO: Operators, visitors and residents of long-term care facilities and nursing homes

AND WHEREAS in consultation with the Lieutenant Governor in Council, I believe it is reasonably necessary to impose requirements in Prince Edward Island (“the Province”) in order to protect the health of the populations of long-term care facilities and nursing homes;

AND WHEREAS pursuant to subsection 39(1) of the Act, I, as the Chief Public Health Officer, may require a person to take or refrain from taking any action that is specified in this Order in respect of a communicable disease;

AND WHEREAS I, as the Chief Public Health Officer, pursuant to subsection 39(2) of the Act, believe on reasonable and probable grounds that:

- (a) a communicable disease, COVID-19, including any new variants of the virus causing COVID-19, exists or may exist in the Province;
- (b) the communicable disease presents a risk to the health of persons in the Province; and
- (c) the requirements specified in this Order are necessary to prevent, decrease or eliminate the risk to health presented by the communicable disease;

AND WHEREAS pursuant to subsection 56(1) of the Act, I, as the Chief Public Health Officer, may require any person to provide information that the Chief Public Health Officer reasonably considers necessary to:

- (a) assess the threat that a disease presents to public health and plan for and address the threat; or
- (b) evaluate and monitor the health and safety of the general public;

AND WHEREAS the reasons for this Order, including recommendations, are the global COVID-19 pandemic, the health risks posed by the pandemic, including health risks posed by new variants of the virus causing COVID-19, and the necessity to prevent, decrease or eliminate those health risks;

AND WHEREAS there is an increased risk of severe COVID-19 outcomes, such as hospitalizations and deaths, among the population of long-term care facilities and nursing homes and there are several current outbreaks in the Province;

NOW THEREFORE pursuant to my authority granted under sections 39 and 56 of the Act, I hereby order as follows.

1. In this Order, the definitions in the Chief Public Health Officer COVID-19 Prevention and Self-Isolation Order, as may be amended from time to time (“the COVID-19 Prevention and Self-isolation Order”), apply and have the same meaning in this Order except as otherwise defined in this Order, and:
 - (a) “designated visitors” means individuals designated by the resident or the resident’s guardian to visit the resident primarily for social or other supportive reasons, including family and friends;

- (b) “facility” means a long-term care facility or a nursing home;
- (c) “long-term care facility or nursing home” means the following establishments:
 - (i) nursing homes as defined under clause 1(j) of the *Community Care Facilities and Nursing Homes Act*, RSPEI 1988, c C-13; and
 - (ii) long-term care facilities which are operated by or on behalf of the Department of Health and Wellness or Health PEI.
- (d) “operator” means the person or organization responsible for the management and operation of a long-term care facility or nursing home;
- (e) “partner in care” means individuals designated by the resident or resident’s guardian to support feeding, mobility, personal hygiene, cognitive stimulation, communication, meaningful connections, relational continuity and assistance in decision-making for the resident;
- (f) “resident” means a resident at a long-term care facility or nursing home;
- (g) “staff” means employees, contracted workers and volunteers who are routinely present at a long-term care facility or nursing home;
- (h) “visitors” means persons who enter a facility to visit with a resident, including designated visitors and partners in care.

FACILITY VISITATION AND ATTENDANCE

2. Facility staff must wear a mask which covers their nose and mouth when in a facility, or when accompanying a resident away from a facility, except when the staff person is in a location away from residents and consuming a food or beverage.
3. On entering a facility, persons providing occasional service inside the facility such as entertainers, personal service providers, healthcare providers and persons performing property maintenance who do not have contact with residents must wear a mask and maintain a two-metre distance from other persons at all times while inside the facility.
4. To visit a resident at a facility, visitors must:
 - (a) receive an orientation by facility staff prior to beginning visitation at the facility;
 - (b) be screened for COVID-19 symptoms upon entry to the facility;
 - (c) not have symptoms of COVID-19;
 - (d) provide their full name and contact information to the facility;
 - (e) perform hand hygiene, where indicated, upon entry to the facility and upon exit from the facility;
 - (f) follow a facility’s infection control guidelines, and visit during the visiting hours of a facility, unless there are exceptional circumstances as agreed to between them and facility employees;
 - (g) use best efforts to maintain physical distancing of two metres from each other and from other persons at the facility at all times, other than a visitor may be within two metres of the resident;

- (h) wear a medical mask;
- (i) only visit one resident at a facility, unless there are exceptional circumstances as agreed to between them and facility employees; and
- (j) only be accompanied by dependents during visits if the visitors exercise responsibility for the dependents during the visit. For greater certainty, visiting dependents who must be cared for by a parent or guardian are considered visitors for purposes of this Order.

COVID-19 VISITATION

5. Visitors must comply with the following requirements in a COVID-19 care area of the facility:
 - (a) Visitors cannot attend any COVID-19 care area of the facility when COVID-19 cases are present;
 - (b) Except in accordance with clause (c) or if a resident is in palliative care, visitors cannot visit with a resident who is a confirmed or suspected case of COVID-19; and
 - (c) Partners in care may visit with a resident with a confirmed or suspected case of COVID-19 provided the partners in care wear full PPE during visits.

VISITOR CONTACT TRACING

6. Facilities should maintain a contact-tracing record each day for each resident to include all contacts made by a resident with other persons, including visitors, service providers or any contacts in an exceptional life circumstance approved by a facility under section 10 of this Order, which contact-tracing record should contain full names, phone numbers and date and time of visits.
7. Facilities should keep the contact-tracing records under section 6 for one month after the day of creation to facilitate contact tracing by the Chief Public Health Officer in the event of a COVID-19 infection situation, and facilities should have an internal process in place to quickly retrieve these records, should the records be needed, including on weekends.
8. Facilities should store the contact-tracing records under section 6 in a safe, secure location for one month after creation of the records and then dispose of the records using a secure destruction method to maintain the confidentiality of personal information collected under this section. For paper records, secure destruction means, at minimum, cross-cut shredding.

GENERAL

9. Facilities must monitor the rates of COVID-19 vaccination among their residents.
10. At the request of a resident, medical staff at a facility may, in exceptional life circumstances, make exemptions to the restrictions in this Order. Any exemption made by medical staff under this section must be made in consultation with the facility administrator, and the facility administrator shall keep a record of all exemptions made under this section.
11. Notwithstanding anything in this Order, the Chief Public Health Officer may:
 - (a) exempt a person or class of persons from the application of any section of this Order under exceptional circumstances or on reasonable grounds; and
 - (b) impose, on any person or class of persons exempt from the application of any section of this

Order under clause (a), public health restrictions consistent with this Order to minimize the risk of introduction or spread of COVID-19.

12. For greater certainty, nothing in this Order limits the operation of the Act or its regulations or restricts the ability of the Chief Public Health Officer to issue public health orders or other orders or directives, as necessary.
13. This Order:
- (a) is effective on May 6, 2022 at 12:00 a.m., revoking and replacing my Order of April 28, 2022; and
 - (b) shall remain in effect until May 19, 2022 at 11:59 p.m., unless earlier amended or revoked.

TAKE NOTICE THAT failure to comply with this Order is an offence for which you may be liable on summary conviction in accordance with section 66 of the Act.
