EXPLANATORY NOTES

SECTION 1 revokes the enacting clause of the regulations and substitutes a new enacting clause to accurately reflect all relevant provisions that authorize the making of regulations in the *Natural Products Marketing Act* R.S.P.E.I. 1988, Cap. N-3. The section replaces the term "order in council" with "regulations", to correctly reference the wording that authorizes the making of regulations under the Act.

SECTION 2 amends the definition section of the regulations. The section establishes new definitions to be used in the regulations, amends existing definitions and revokes the definition of "producer at large", which is no longer needed. The amendment replaces a gender-specific

term with a gender-neutral term and clarifies wording in a number of definitions for consistency.

SECTION 3 amends the heading immediately before section 3 of the regulations to accurately reflect the Prince Edward Island Potato Marketing Plan.

SECTION 4 revokes section 3 of the regulations and substitutes a new section 3 to establish the Prince Edward Island Potato Marketing Plan. The section also specifies the purpose and intent of the plan.

SECTION 5 revokes section 6 of the regulations and substitutes a new section 6 to specify the Board shall maintain a head office in the province.

SECTION 6 amends section 7 of the regulations to modernize wording.

SECTION 7 amends various provisions in the regulations to replace gender-specific terms with gender-neutral terms.

SECTION 8 amends various provisions in the regulations to replace a term and modernize wording.

SECTION 9 amends section 8 of the regulations to extend the period of time for the Board to file with Council a certified copy of the audited financial statement and report of operations of the Board. SECTION 11 amends section 9 of the regulations to properly reflect the terms “register of potato production units” and “potato production units”. Subsection 9(5) of the regulations is revoked and a new subsection 9(5) is substituted to outline the requirements for persons who are designated to exercise voting rights on behalf of a potato production unit. The section amends subsection 10(2) of the regulations to correct the reference to a potato production unit.

SECTION 13 revokes section 11 of the regulations and substitutes a new section 11 in respect of the composition of the Prince Edward Island Potato Board. The number of districts is reduced from four to three but

the current Board membership, which is composed of 12 persons, is maintained. All members must be registered producers equally representing the processing, seed and table stock producers of the three districts. The section authorizes the election of three members at large. The boundaries of the districts are described in a Schedule which is adopted to form part of the regulations. The section includes a transitional provision to provide that on the coming into force of the section, members of the Board who were elected from the West Prince District, Summerside District, Charlottetown District, and Montague-Souris District are continued as members of the Board for the remainder of the member's term or until the member sooner ceases to hold office. The section provides that 2020 Board elections are to be conducted prior to the 2020 annual general meeting which is to be held within six months of the coming into force of the section.

SECTION 14 amends section 12 of the regulations to clarify that Board members assume office at the first Board meeting following the annual general meeting and that the three year terms are to be staggered. Punctuation is also corrected.

SECTION 17 amends section 15 of the regulations to modernize wording and include registered producers who reside in the regulated area as being eligible to be nominated and run for a Board position, as well as vote in an election.

SECTION 18 revokes subsections 16(1), (2) and (3) of the regulations and substitutes a new subsection 16(1), (2) and (3) in respect of eligibility to vote in a Board election. Reference to a registered potato production unit is corrected. Reference to a farm unit is added to the provision to clarify that each person designated by a potato production unit or a farm unit, as the case may be, is entitled to cast one vote for one candidate for election in the district in which the potato production unit or farm unit is registered.
