## EXPLANATORY NOTES

**SECTION 1 amends the definition section** in the *Student Financial Assistance Act* General Regulations (EC709/10). The noted definitions are revoked and replaced to coincide with amendments made to the federal Canada Student Financial Assistance Regulations. Eligibility criteria for disability supports under the Canada Student Financial Assistance Program is being expanded to establish a new category of recipients to support persons with persistent or prolonged disabilities. Prior to this new category being established, supports were only available to persons with a permanent disability.

**SECTION 2** adds a new section 1.1 to the regulations to establish that a person who has either a permanent disability or a persistent or prolonged disability and who is taking at least 40 per cent but less than 60 per cent of a full-time course load, may elect to be considered as a full-time student.

**SECTION 3** provides for the commencement of these regulations.
