PART II
REGULATIONS

EC2019-519

ENVIRONMENTAL PROTECTION ACT
WASTE RESOURCE MANAGEMENT REGULATIONS
AMENDMENT

(Approved by Her Honour the Lieutenant Governor in Council dated July 31, 2019.)

Pursuant to section 25 of the *Environmental Protection Act* R.S.P.E.I. 1988, Cap. E-9, Council made the following regulations:

1. Section 18 of the *Environmental Protection Act* Waste Resource Management Regulations (EC691/00) is amended

(a) by renumbering it as subsection 18(1); and

(b) by the addition of the following after subsection (1):

(2) Despite clause (1)(b), a municipality may, with respect to a landfill that existed immediately prior to the coming into force of this subsection but that was not constructed in accordance with sections 4 to 14 of these regulations, apply to the Minister in the form approved by the Minister for permission to construct a low hydraulic conductivity layer consisting of a soil component with a hydraulic conductivity of 1×10^{-5} centimetres per second or less in a layer at least 750 millimetres thick. Application for limited exception

(3) The Minister may, if satisfied that the landfill is appropriate for covering with a low hydraulic conductivity layer constructed as specified in subsection (2), authorize the applicant to proceed in accordance with that subsection. Ministerial authorization

2. These regulations come into force on August 10, 2019.

EXPLANATORY NOTES

SECTION 1 amends the regulations by renumbering section 18 as subsection 18(1) and adding two new subsections, 18(2) and (3). Subsection 18(2) authorizes a municipality to apply to the Minister for permission to cover a landfill that was not constructed in accordance with sections 4 to 14 by constructing a low hydraulic conductivity layer of soil as specified. This is a limited exception to the requirement in clause 18(1)(b) that a landfill must be covered with a low hydraulic conductivity layer that consists of a flexible membrane liner. Subsection 18(3)

provides that the Minister may authorize the applicant to proceed using the method set out in subsection (2) if satisfied that the method is appropriate for covering the landfill.

SECTION 2 provides for the commencement of these regulations.

EXPLANATORY NOTES

SECTION 1 establishes definitions for the purposes of the regulations.

SECTION 2 prohibits the taking or hunting of a wild animal out of season, subject to the exceptions set out in subsection 12(2) of the Act.

SECTION 3 prohibits the use of air, land or water vehicles to chase, pursue, worry, molest, take, hunt or kill any wildlife. A permit may be issued under section 10 of the Act to authorize a person to use a vehicle to chase, pursue, take, hunt or kill wildlife.

SECTION 4 establishes the application requirements for a permit under section 10 of the Act. The section also provides a list of species for which a license or permit is not required.

SECTION 5 prohibits the depositing of a substance that is harmful to wildlife, or a substance that in combination with others may become harmful to wildlife, in an area frequented by wildlife or in a place from where it may enter an area frequented by wildlife. Certain exceptions are permitted in accordance with the *Pesticides Control Act* or as authorized by the Minister.

SECTION 6 prohibits the export from the province of wild animals or parts of them except under the authority of a wildlife export permit, and establishes the application requirements and process to obtain an export permit. The Minister may attach any conditions the Minister considers appropriate to an export permit. A copy of a hunting license is deemed to be an export permit that authorizes the hunter to export a wild animal lawfully taken by the license holder in the province. The export of wildlife is also subject to the provisions of the *Wild Animal and Plant Protection and Regulation of International and Interprovincial Trade Act* (Canada).

SECTION 7 prohibits the importation of wildlife into the province except under the authority of a wildlife import permit, and establishes the application requirements and process to obtain an import permit. An exception is provided for the importation of wildlife that has been lawfully hunted by the person under the laws of another jurisdiction.

SECTION 8 authorizes the Minister to issue a wildlife control operator's permit to an applicant who meets the specified criteria, and prohibits any person from engaging in the business of providing wildlife control services on the property of another person without a permit, unless the person is authorized by the Minister. Where the Minister refuses to issue a permit to an applicant, the Minister is required to provide written reasons for the refusal.

SECTION 9 provides that a wildlife control operator's permit expires on March 31 of the year following the date of issue.

SECTION 10 specifies the species that a permit holder is authorized to control. The Minister may authorize a permit holder to control other species at specified times and under specified conditions. The Minister may also suspend the control of certain species or prohibit certain wildlife control activities when the Minister considers it necessary for the protection of human health or the health of wildlife or domestic animals.

SECTION 11 requires a wildlife control operator to report the capture diseased animals and not to release diseased animals after capture without permission, not to use live wild animals for certain purposes, not to capture, handle or harass endangered species and not to hold a wild animal in captivity for more than 24 hours.

SECTION 12 requires a wildlife control operator to file an annual report with the Minister containing the specified information about the operator's activities during that year. The section also requires a wildlife control operator to establish and maintain monthly records of those activities and to make the records available for inspection by a conservation officer or natural resource inspector at any reasonable time.

SECTION 13 provides that the list of species designated for the purposes of subsection 19(1) of the Act is set out in the Schedule to the regulations.

SECTION 14 revokes the *Wildlife Conservation Act* Regulations (EC676/98) and the *Fish and Game Protection Act* General Regulations (EC818/66).

SECTION 15 provides for the commencement of the regulations.

Prohibition	3. (1) Unless a person holds a license issued under these regulations for that activity, no person shall (a) keep a wild animal in captivity; or (b) sell a wild animal.
Exception	(2) Notwithstanding subsection (1), a person may keep a wild animal in captivity without a license, if the wild animal (a) was lawfully purchased from a Class 4 licensed wildlife pet dealer; (b) is to be used in the operation of a fur farm for the production of captive-bred ranched fox, or captive-bred ranched mink; or

(c) is a migratory bird for which the person holds a permit issued under the *Migratory Birds Convention Act* (Canada) S.C. 1994, c. 22.

4. A person may apply for a license, in the form approved by the Minister, in any of the following classes: Classes of license

- (a) Class 1 - authorizing the holder to keep wild animals in captivity for educational or scientific purposes;
- (b) Class 2 - authorizing the holder to keep wild animals in captivity where a fee or charge is levied for admission of the public;
- (c) Class 3 - authorizing the holder to keep in captivity a hawk, falcon or other raptorial bird for the purpose of hunting or training to hunt;
- (d) Class 4 - authorizing the holder to keep and sell wildlife in captivity in connection with the operation of a wildlife pet dealership, excluding the sale of wild animals listed in the Schedule to these regulations;
- (e) Class 5 - authorizing the holder to keep in captivity as a pet a wild animal that was lawfully imported.

5. (1) An applicant for any class of license shall Information to be provided

- (a) provide the applicant's full name and home address;
- (b) provide the civic address or property identification number of the location where the wild animal will be kept;
- (c) specify the class of license being applied for;
- (d) specify the wild animal that will be kept;
- (e) state the purpose for which the applicant intends to keep the wild animal;
- (f) specify the number of wild animals to be kept; and
- (g) provide any other information respecting the license being applied for that may be required by the Minister in order to assess the application.

(2) An applicant for a license shall provide proof satisfactory to the Minister that the person Criteria and qualifications

- (a) is knowledgeable in the natural sciences, particularly those related to wildlife;
- (b) possesses the necessary premises, enclosures and other resources to properly care for the wild animal, including plans of the premises and details of the construction and security measures that demonstrate they are adequate to prevent the escape of the wild animal;
- (c) will ensure that appropriate measures are developed and will be implemented to maintain the health of the wild animal and to provide for veterinary services to the wild animal; and
- (d) shall ensure that all necessary precautions are taken to ensure the safety of the public.

Insurance required	(3) An applicant for a license in any of Classes 1 to 4 shall acquire and maintain sufficient liability insurance to indemnify against a claim for loss of life, bodily injury or property damage caused to any person as a result of the keeping of the wild animal, and shall provide proof of insurance that is satisfactory to the Minister with the application for the license.
Expiry	6. A license expires three years from the date of issue.
Release prohibited without permission	7. (1) The holder of a license shall not release from captivity any wild animal kept under authority of the license without first obtaining the permission of the Minister.
Escape of wild animal	(2) Where any wild animal kept in captivity under authority of a license is inadvertently or accidentally released or escapes to the wild, the holder of the license shall immediately advise the Minister and give full details of the release or escape.
Responsibility of license holder	(3) Where a wild animal referred to in subsection (2) is released or escapes, the holder of the license (a) is deemed to have been in possession of the wild animal at the time of the release or escape; (b) is responsible for the recapture of the wild animal; and (c) if the resources of the Government are used for the purpose of recapture, shall pay all the costs incurred by the Government in recapturing the wild animal.
Exception	(4) Subsection (1) shall not be construed to preclude the ordinary practice of the art of falconry.

EXPLANATORY NOTES

SECTION 1 defines terms for the purposes of the regulations.

SECTION 2 clarifies that the regulations apply both to the keeping of wild animals in captivity and to the sale of wild animals.

SECTION 3 provides that it is prohibited to keep a wild animal in captivity or sell a wild animal except under the authority of a license, with the specified exceptions set out in subsection (2).

SECTION 4 establishes the five classes of license that may be applied for under the regulations.

SECTION 5 specifies the information to be provided by, and the qualifying criteria that apply to, an applicant for a license.

SECTION 6 provides that a license expires three years from its date of issue.

SECTION 7 prohibits a license holder from releasing the wild animal from captivity without first obtaining the Minister's permission. In the case of an accidental release, the license holder is required to advise the Minister immediately. The license holder is responsible for the recapture of the wild animal, and is required to pay any costs incurred by the Government in recapturing it.

SECTION 8 requires the holder of a Class 3 license to ensure that the raptorial birds in the holder's possession are banded and the band numbers are recorded, and prohibits unauthorized persons from removing the bands. No person is permitted to tamper with the bands.

SECTION 9 prohibits any person from bringing a wild animal into the province except under the authority of an import permit issued under the *Wildlife Conservation Act* General Regulations.

SECTION 10 authorizes a conservation officer or natural resource inspector to enter and inspect the premises and records of a license holder at all reasonable times to enforce the Act and the regulations. If the premises are a private dwelling, a warrant is required.

SECTION 11 authorizes the Minister to impose terms and conditions on a license, and to suspend a license where the Minister has reasonable cause to believe that the animal is not being adequately cared for or that a condition of the license or the *Animal Welfare Act* has been contravened. If the Minister suspends the license, the Minister may issue directions respecting the care, maintenance and disposition of the wild animal. Any costs incurred are the responsibility of the license holder. The Minister is also authorized to cancel a license in the specified circumstances, on notice to the holder, where the Minister believes it is in the public interest to do so.

SECTION 12 provides that it is an offence for a person to contravene a provision of the regulations or a term or condition of a license.

SECTION 13 formally adopts the Schedule to the regulations. The Schedule lists the species of wild animals that shall not be kept in captivity as pets or sold.

SECTION 14 provides for the commencement of the regulations.
