

SPORT PARTICIPATION BILATERAL - SPORT PARTNERSHIP AND ENGAGEMENT SMALL GRANTS PROGRAM 2025-26 PEI DEPARTMENT OF FISHERIES, TOURISM, SPORT AND CULTURE

BACKGROUND:

The Province of PEI and the Government of Canada recognizes the valuable contribution that sport plays in the health and wellness of all Islanders, not only as a vital contributor to helping Islanders get active but also to help and support Islanders to achieve excellence. The **Sport Partnership and Engagement Program** is intended to encourage and support organizations to look at new or enhanced initiatives that will encourage greater sport participation and leadership in **under-represented populations**. The Program will encourage strategic partnerships and will provide support for the development and operation of projects designed to increase or enhance participation in sport for under-represented and or marginalized individuals and groups on PEI.

WHO ARE UNDER-REPRESENTED ON PEI?

Under-represented include individuals with physical and or intellectual disabilities, disadvantaged youth, vulnerable populations, minority groups within the Province, (ie Aboriginals, Acadians, Newcomers, etc), women and girls in coaching and leadership positions and under-represented males or females within a sport (ie, girls in baseball, boys in figure skating, etc). The list should not be considered all inclusive. If you feel your project is targeted to the under-represented and are not sure if it fits, please call the Division of Sport, Recreation and Physical Activity office to discuss.

Objective:

To provide support to Organizations who's project clearly demonstrates increasing or enhancing participation in sport for under-represented and or marginalized individuals and groups on PEI.

Eligible Organizations:

- 1. Member Clubs and Associations** - Assistance to sport clubs and associations (must be a member of their respective PSO) for new or enhanced projects that encourage and support increased participation, athlete development, coach development, volunteer development and official development for local grass root activities in **sport for under-represented or marginalized populations on PEI**.
- 2. Not For Profit** - Assistance to not for profit organizations, municipalities, PSO's, etc. for new or enhanced activities or programs that supports getting **under-represented**

Islanders active in sport, recreation and physical activity. Projects may focus on physical literacy, training in areas such as coaching, youth development, and volunteer development, new sport and physical activity programs, and or adaptive programming.

Please Note: Private operations are not eligible for this funding

While all projects that meet the criteria will be eligible, we have identified Girls and Women as a priority area: Assistance for girls and women in leadership positions in sport, (coaching and or officiating). Less than 25% of the registered coaches reported by PSOs on Prince Edward Island were female. Priority will be given to sports that currently have less than 50% of their coaches' female. Please note, the project must be specifically targeted to women and girls to be considered this priority area.

GUIDELINES:

- Activities must have a direct impact on providing sport opportunities, increasing sport participation, enhancing athlete, coaching, officiating, volunteer development, developing new physical activity initiatives or developing physical literacy **and** be *targeted* for under-represented individuals and groups.
- The creation of new or enhanced partnerships and engagement with various sport delivery stakeholders such as PSOs, schools, municipalities and other not for profit organizations is encouraged.
- Funding can be used to support any ages.
- Activities must have clear objectives and measurable outcomes.
- Eligible activities may include:
 - Participation of the under-represented individuals in after school time period programs that are either sport specific or multi-sport based;
 - Coordinating, and promoting "Try" sport camps and activities for under-represented;
 - Multi-sport camps and activities for under-represented;
 - New developmental programs in communities or the expansion/enhancement of existing programs (e.g. integration of athletes with a disability in programming);
 - Grant to offset barriers such as facility rental, coach development and transportation;
 - Activities that promote physical activity and physical literacy for under-represented;
 - Coach, leader, instructor, and volunteer training that meets the needs of new or enhanced activities;
 - Other activities that meet the objective stated above.
- ***Project applications will be accepted continuously throughout the year until February 1, 2026 and subject to available funding.***
- Complete the fillable PDF application and submit prior to the deadline above.
