

## **What is the deadline to apply for a full-time student loan?**

It can take four to six weeks to process your application. **Your application will not be considered complete and will not be processed until you provide all required documentation and all appropriate signatures.**

To receive loan funding for **both semesters**, submit your application by **November 18** of your year of study. For **second semester** funding your application must be received by **March 18** of your year of study. You must submit all required information **at least six weeks** before the end of your period of full- time study

## **Can I expect to know what funding I will receive prior to classes in September?**

To ensure you have your assessment and funding in place for your first day of classes, you must submit your completed application, including all required documentation and signatures before **July 15**. **Please take note that no funding can be released until at least the first day of your classes.**

## **When do I have to submit my pre-study report?**

You can submit your Pre-Study Report **as early as the first day of your program**. If you are attending a two-semester program that started in September, your pre-study report **must be received by March 18** for it to be processed. If you are in another program, submit your report **no later than six weeks** prior to the study end date.

If you plan to **appeal** your assessment, submit your completed application for appeal **no later than six weeks** before the end of your study period. You **must submit your pre-study report** and any supporting documentation prior to your appeal being reviewed.

## **What is the deadline to apply for a part-time student loan/grant?**

Completed part-time applications must be submitted a **minimum of three weeks** prior to the end date of study of your program or course.

**Please note:** Loans cannot be awarded for periods of study which have already passed.
