
SECTION 1

TREASURY BOARD POLICY AND PROCEDURES MANUAL

1.02 LEGISLATION

AUTHORITY: STATUTES AND REGULATIONS OF THE
PROVINCE OF PRINCE EDWARD ISLAND

ADMINISTRATION: TREASURY BOARD SECRETARIAT

EFFECTIVE DATE: DECEMBER 2023

1.02 LEGISLATION

(1) PURPOSE

The Treasury Board Policy and Procedures Manual (Manual) has been compiled taking into consideration the various Statutes and Regulations of the Province of Prince Edward Island, some of which provide specific authority to support policies in the Manual.

When a Manual policy is directly authorized by specific Statutes and Regulations, the policy includes a reference to that Statute and Regulation. Manual policies and the Statutes and Regulations of the Province of Prince Edward Island should be considered together when applying Manual policies.

The purpose of this section of the Manual is to provide the reference link to the Revised Statutes of Prince Edward Island 1988 and their associated regulations:

Users are reminded that Statutes and Regulations attached to this link are prepared by the Legislative Counsel Office and are intended for information and reference purposes only. These documents are not the official version of the Statutes and Regulations. The Statutes and Regulations and the amendments as printed under the authority of the King's Printer for the Province should be consulted to determine the authoritative statement of the law.

(2) INTERPRETATION

In cases where an interpretation is required, such should be referred to the Secretary to Treasury Board, or their delegated officer, who will make the interpretation or refer the matter to Treasury Board, if a Treasury Board decision is deemed necessary.
